The frequency with which a gift plan makes payments. The frequency of payments affects the deduction slightly. This value is set in our *Planned Giving Manager* software under Gift Options in the follow-up window for the gift plan.

**Annual** - Payments are made once per year.

**Semiannual** - Payments are made twice per year in installments once every six months.

**Quarterly** - Payments are made four times per year in installments once every three months.

**Monthly** - Payments are made twelve times per year in installments once every month.

**Weekly** - Payments are made in installments once every week.
